

General Health Protocols 2022-23

Please find below a summary of the protocols which will be in place this academic year as recommended by the *Consejería de Salud Pública y Familias* for the academic year 2022-23

1. Personal hygiene and safety

In the interests of maintaining a safe and healthy community, we will be maintaining the following hygiene routines:

- Regular handwashing and disinfection
- Avoidance of touching eyes nose and mouth
- Use and safe disposal of paper tissues, if needed
- Avoidance of overcrowding in closed areas if possible
- Use of disinfecting gel

1. Use of masks

- Pupils, staff and visitors are not required to wear protective masks
- Any person who has tested positive for COVID-19 should wear a mask in order to avoid the further spread of the disease
- Masks must be worn on school transport by staff and all pupils over the age of 6 years, until further notice
- Any pupil who, due to personal circumstances, wishes to wear a mask at school may continue to do so.

General Health Protocols 2022-23 (continued)

3. Contact with others

- Working in groups will be permitted
- There will be no restrictions on contacts between year groups
- Use and safe disposal of paper tissues, if needed
- Families are welcome to attend face-to-face events and meetings at school
- The use of outdoor spaces will still be favoured for school events
- Indoor events will be held in larger, well-ventilated rooms, whenever possible

4. Cleaning, disinfection and ventilation

- Intensive cleaning and disinfection routines will continue in key areas e.g. toilets and dining areas and specialist rooms such as laboratories and ICT suites
- Disinfecting gel will be made available to pupils, staff and visitors
- Regular, natural ventilation is recommended in all indoor areas
